*Music Publisher Increases Its Latin American Sheet Music Catalog*

**Blacksburg, VA:** Today, Cayambis Music Press, a music publishing company specializing in classical sheet music from Latin America, is pleased to announce that Colombian composer Alba Triana has been added to the company's roster of international composers. Triana, who studied music at Javeriana University in Colombia, holds a master of fine arts degree with double emphasis in composition from the California Institute of the Arts. As one of Colombia's most important artists, her work has been shown in concert halls throughout the world. She has also received numerous awards and commendations.

"I am happy that our earlier association with Alba through our Latin American Voices series of podcasts has naturally developed into our present relationship."

Due to her a more visually oriented approach to musical performance, Alba brings a unique compositional perspective to Cayambis Music Press. Alba said, "I am pleased that my improvisation-like pieces are finally going to be published by Cayambis Music Press."
